*Arlington Capital Advisors is an Equal Opportunity Employer.*

### **JOB DESCRIPTION**

Arlington Capital Advisors is seeking applicants for its Investment Banking Summer Analyst program. This full-time program will last approximately ten weeks during the summer. Summer Analysts that perform well may be offered the position of Investment Banking Analyst, a two-year position beginning the following summer. The position will be based in Birmingham, Alabama and may require some travel.

### **SUMMARY RESPONSIBILITIES**

- ▼ Conduct financial and strategic business analysis and industry specific research
- ▼ Draft pitch books and confidential offering memorandums
- ▼ Research and contact prospective private equity and strategic buyers
- ▼ Participate in conference calls and meetings with clients and prospective buyers
- ▼ Prepare financial models and presentations
- ▼ Assist in due diligence and other transaction related tasks
- ▼ Create and maintain industry-specific business development materials

### **RECOMMENDED QUALIFICATIONS**

- ▼ Strong academic achievement
- ▼ Relevant prior work experience
- ▼ Demonstrated interest in investment banking
- ▼ Proven communication, organizational and analytical skills
- ▼ Strong work ethic, initiative and enthusiasm
- ▼ Ability to successfully manage multiple projects
- ▼ High proficiency in MS Office Suite, especially Excel and PowerPoint
- ▼ Thorough knowledge of corporate finance and financial accounting
- ▼ Applicant must be eligible to work in the United States

Qualified applicants should send a cover letter and resume to:
